

Declaration of Consent

I hereby consent to make the video and/or audio recordings on the subject of "xxxx" as well as my personal data available to (NAME OF INSTITUTE) for information and analysis purposes.

My personal data collected by (NAME OF INSTITUTE) will be treated in strict confidence in accordance with the federal data and personality protection legislation. This means:

- No disclosure of personal data to unauthorized third parties and disclosure to the client in anonymized form only.
- No disclosure of video and/or audio recordings to unauthorized third parties; the material will be used exclusively internally by the institute or in anonymized form by its client.
- All persons to whom the recording is legitimately shown are informed about the content of this declaration of consent and are bound by it in the same way.
- The research analysis and results do not allow any conclusions to be drawn about you personally.
- Your data entrusted to us and all recordings will be completely deleted six months after the analysis has been evaluated.

First Name/Surname: _____

Street/No.: _____

Postal Code/City: _____

Date: _____ Signature: _____

The (Institute) is a member of Swiss Insights and, in addition to the Swiss data protection guidelines, bound to the Swiss Insights guidelines. For more information, please see www.swiss-insights.ch
